To Whom It May Concern

Re. Mr Michael Patrick Hill, 77 Summerhill Road Glen Iris, Victoria 3146

This letter serves to confirm that I have known Mr. Michael Hill for in excess of ten years. During this time I have dealt with Michael on a personal and professional level and found him to be trustworthy, honest and diligent at all times.

Michael has undertaken three separate building projects on my property in Caulfield and has completed the works on time and on budget on each occasion. The quality and time frame which each project was completed always exceeded my expectations.

On each occasion Michael has been responsible for project managing the entire renovation and I have felt comfortable in leaving it to his judgment and expertise to produce the outcome I desired.

Based on my relationship and dealings in the past I have now engaged Michael to complete further building works for a new property I have recently acquired.

I would have no hesitation in recommending Michael to any prospective client or associate who was considering undertaking a building project.

If I can be of any further assistance, or if you wish to discuss any aspect of my relationship or dealings with Michael, please don't hesitate to contact me directly.

Yours Sincerely
