TO WHOM IT MAY CONCERN

I have known Michael Hill for approximately twenty years both personally and professionally. During this time Michael has been honest, reliable, trustworthy and has carried out a number of building and construction projects, small and large, for clients of Mackintosh First National and for me personally.

I have witnessed Michael excel in all aspects of his life. His desire for success and motivation to achieve his personal goals is testimony to his strength and character.

Michael's business has grown from doing small building and maintenance jobs 10 years ago into a medium sized residential builder with an excellent reputation, especial in the Glen Iris area, both with home owners and local agents.

Michael is a highly qualified individual whose business success can be attributed to his professionalism, manner and attention to detail. His work ethic and a clear focus on his clients requirements will see him succeed for many years to come.

I wish Michael every success in the future and I can recommend him without hesitation.

Please contact me on 0418 540060 if you require any further information.

Yours faithfully

MACKINTOSH FIRST NATIONAL
